New design improves performance and reliability

PROTECTIVE HANDLE BUMPER

Protects pump piston from wall impact

HIGH PERFORMANCE FRAME

Solid construction finished in durable powder coating

ENTRY SLIDE AND EXIT ROLLERS

Fork tip design provides smooth pallet transition

LIFFRITE®

**THE NEW TITAN SERIES
HAND PALLET TRUCK FROM LIFT-RITE.**

An all new hydraulic pump design is the engine driving the Titan Series. The pump body is cast in one piece to keep oil in the pump and off your floor. A new lowering valve cartridge provides superior operator lowering control. A new high quality thrust load ball bearing and plate equipped with grease fittings makes load steering easier than ever before.

2 YEAR PUMP WARRANTY

Lift-Rite backs our new pump unit with a full 2 year exclusive warranty.
